

Mission Haven Update – April 2023

SPRINGTIME VISIT: *Building Relationships*

On the day before “Come See Columbia Day” we gather to connect with one another, to discuss the status of our facilities, and to share stories about our ministry. We specifically invite all board members and all PW presbytery moderators. Of course, all who are interested are welcome to attend.

On April 19th, 6 board members, 2 missionary residents, 1 PW presbytery moderator, 1 local team member, and 3 guests convened in our Meeting Room to do just that!

Time with a missionary resident

Inventorying and folding linens

In addition, we toured the clothes closet, apartment storage basement, picnic area, and two apartments. We even rolled up our sleeves to sample the kinds of things our local volunteers do on a regular basis!

We shared a meal with one another, including a missionary family, after which the mother presented her call to mission and expressed her deep gratitude to us for the opportunity to live here in between assignments.

TOUR: *Come See Columbia Day*

Columbia Friendship Circle hosted their annual “Come See Columbia Day” on April 20th and graciously included a Mission Haven Tour on their agenda. About two dozen attendees accepted that opportunity after lunch and visited our campus:
