## Dumpster Woes

### Thanks

The bottom of our old metal dumpster rusted out. New dumpsters were back-ordered indefinitely. Monthly rental rates were too costly. What to do? Long-time friends and volunteers Rick Adle and Ken McMillan teamed up and drove to Easley, South Carolina to pick up a brand new dumpster. It took both men, 2 vehicles, 2 trailers, and 1 large tractor to accomplish this feat. We received \$100 for recycling the old dumpster, and the total cost was less than one year of rental. Just another example of how we strive to be good stewards of your monetary donations!

## Meeting Room *Renovation Update*

Upon approval by the Board in October, we promptly began renovating the basement of 167. New bathroom facilities, a utility sink, new tile flooring, fresh paint, and updated furniture are all welcome changes to this meeting space. When complete, it will continue to serve as a meeting room for our management team, the Board, PW groups, the community, and as an occasional gathering place for residents.

Mission Haven is full of activity. Thank you for your monetary support, your wonderful interest and comments, and most of all your prayers for our mission co-workers and 70+ years of ministering to God's people.
