

## *Mission Haven Update – Thanksgiving 2023*

### *GRATEFUL RESIDENTS: Thanksgiving Dinner*

The Mission Haven residents gathered for Thanksgiving at the “big house” (167 Inman) this year. There were 20 of us in all, from the U.S., Niger, Madagascar, Congo, South Africa, Ethiopia/South Sudan, and India. We each shared what we were grateful for, and at the top of the list was God’s faithfulness to us (including the ministry of Mission Haven to each of us and our families!). We were also thankful for friends, family, lots of good food, and football. Please extend our gratitude to everyone who supports the ministry of Mission Haven.

Sincerely,  
Nancy Dimmock  
(for current MH residents)
