

Mission Haven Update – September 2025

COMMUNITY CONNECTIONS: The Body of Christ

The network of missionaries is amazingly deep and wide. A current resident in 211, who serves with C&MA (The Alliance), discovered that a neighbor in 2A, who ministers with e3 Partners, was their former youth director years ago!

And ... the missionaries in 2A know former PC(USA) mission co-worker Jim McGill (currently with RCA), whose family lives in 207, from their related ministries in Niger!

FINDING OUR JOY: PW Synod Gathering at Epworth, October 17-19

In mid-October, Presbyterian Women from the Synod of South Atlantic will convene at Epworth by the Sea for their triennial gathering. This year, Presbyterian Women from Living Waters have also been invited.

Several Mission Haven representatives will attend, and you can identify them by their special nametags. Say hello and ask questions. Come visit our display table. Brochures will be available for you to share with your churches. And ... you may receive a special gift ...

ANNUAL MEETING: Mission Haven, October 29-30

As is our custom, our Board will meet in person for two days at Mission Haven. Although only board members may vote, we invite any PW Presbytery Moderator and others who are interested to join our conversations as we wrestle with important decisions. This is a great opportunity to visit our apartments, homes, and the Clothes Closet. This meeting also offers you a chance to network with other PW leaders. If you wish to attend or desire more details, send an email to missionhavendecatur@gmail.com.
