Board Spotlight

Gail Hardy

Our new President, Gail Hardy, has been actively involved in PW since the late 1970's. At Morrow Presbyterian Church (near Atlanta), she served as PW Moderator and later as a presbytery cluster leader where she learned about Mission Haven.

In 2006, she and her husband Bob moved to Tennessee. One of Gail's first activities was to join PW at their new church. She served as a cluster leader, PW presbytery moderator (three times), and as a Mission Haven liaison for the Presbytery of East Tennessee.

Gail volunteers with Friendship Kitchen meal delivery and works with the Bees (sewing and craft group). She loves the outdoors, birds, flowers, and gardening. She and Bob have two daughters and six grandchildren.

Mission Haven is supported and operated by
Presbyterian Women in the
Synods of South Atlantic and Living Waters.
We rely on YOUR contributions to maintain
3 houses and 6 apartments.

HAVEN HAPPENINGS

Mission Haven Newsletter When God's People Are In Need, Be Ready To Help Them. Always Be Eager To Practice Hospitality. – ROMANS 12:13

Opportunity **New Positions**

Two local volunteers will retire in 2024—both have served over and above their defined responsibilities for many years. We are going to create new, additional positions to lighten the load for their successors. **Do you know someone in the Atlanta area who has a heart for mission?**

We are searching for multiple part-time workers with interests and skills in one or more of these areas:

- Property maintenance
- Team management
- Reservations
- Hosting
- Residence preparation

If you have ever felt called to support mission, here is your chance to answer that call. Please [contact us](#) if you or a friend would like to learn more.

Tools for All

Although our Workshop has a plethora of tools for nearly every job, it's not always practical for a resident to go there for an occasional screwdriver or hammer, especially in the rain! Volunteer Susan Adle has equipped each of our houses and apartments with a basic set of commonly used tools. — Thank you!

Refresh Team

Local Volunteers

What happens after a mission co-worker checks out of Mission Haven and before another one arrives?

The Refresh Team inventories items, verifies that appliances are in working order, re-arranges furniture if needed, replenishes supplies, etc. In short, they "Refresh" the apartment or home for the next occupants.

This is a great way to support Mission Haven if you live in the area. It's a minimum time commitment, and it offers great fellowship. [Contact us](#) if you'd like to join this team!
