When God's People Are In Need, Be Ready To Help Them. Always Be Eager To Practice Hospitality. -- ROMANS 12:13

Our 70-day celebration spans 10 weeks and includes a glimpse of our 70-year history along with suggested activities. We have adapted all activities to accommodate social restrictions caused by the pandemic. Please share these stories with your circles and participate joyfully in recognition of "70 Years and Going Strong!"

Everyone Counts

What if I have limited income? What if we only have a few women in our circle or church? How can we help? Remember that even the widow's mite is significant.

Over the years, specific groups have made a difference on finite projects:

- One circle decided to re-decorate a living room and bedroom. During that process, women noticed the need to renovate the kitchen, so they invited others to contribute funds for that improvement.
- One church had a "paper shower" where women brought paper towels and other cleaning supplies to their fall gathering.
- One church donated money to subsidize a new HVAC system.
- Another church collected an offering to improve our garden areas.
- One presbytery had a "linen shower" and asked women who attended their annual gathering to bring towels.
- Another presbytery "challenged" their churches to donate money toward a bathroom renovation in an apartment.

Just like your own home, our five buildings require regular repairs and maintenance. You can be an important part of this upkeep by joining forces with others in your circle, church, or presbytery.

Fun Fact

Many residents use a different color towel set for each family member!
